Dear Band Family,

The annual Band Festival is just around the corner!

Each year, we invite other local school bands and food trucks to our school for a day full of music and fun. We hope all band families come out to enjoy the fun, food and music.

This year, the Band Festival will be on Saturday, October 14, 2017. We are pleased to be hosting bands from Buckeye Valley, North Fork Local, Granville, Danville, Piketon, Lakewood, Westerville Central, and Lehman Catholic (Sidney) as well as the NA band, choir and drama department.

For more information, please visit: <http://newalbanyband.com/festival/>

We are also looking for corporate sponsors this year, and have attached a letter that details the price of advertising space in the program. Please share the attached letter with any companies you believe might be interested in advertising in the program.

In addition, we want to invite families to purchase a 'parent shout-out' for their band member. These will be approximately business card sized, and can include a short phrase along with a black and white photo (thumbnail size).

'Parent shout-outs' will only be \$25, and we hope they will help to offset the price of printing the program. While the advertising can generate some funds to cover the cost of the festival (which is what ticket prices go to as well).

To purchase a 'parent shout-out', please contact me at the email below.

We are a parent-run organization, and are always looking for additional ideas or suggestions on fundraising, so please share any thoughts you may have about fundraising with a committee member.

Thank you so much for all your time and energy; you are why the band is so strong!

Sincerely,

Wayne Roy Griffin
