ABB Electrification Products

Represented in Indiana, upstate New York, Ohio, western Pennsylvania and West Virginia

Low Voltage Systems / <http://new.abb.com/low-voltage/products/switchgear>

- Motor Control Centers / <http://new.abb.com/low-voltage/products/switchgear/mns-mcc-conventional>
- Switchgear / <http://new.abb.com/low-voltage/products/switchgear>

Medium Voltage / <http://new.abb.com/medium-voltage>

- Switchgear / <http://new.abb.com/medium-voltage/switchgear>
 - Advance 5-15 kV, up to 50 kA
 - Safegear 5-15 kV, up to 63 kA, Arc Resistant
 - ReliaGear Narrow design, 5-15 kV, up to 31.5 kA
- Apparatus / <http://new.abb.com/medium-voltage/apparatus>
 - Switchgear Circuit Breakers
 - Versarupter Switches
 - CT's, PT's, CPT's
 - Cutouts
 - R-Mag Vacuum Substation Breakers – 15-38 kV
 - Reclosers
 - OEM Products – switchgear breakers, versarupter switches, breaker components
- Distribution Automation and Protection / <http://new.abb.com/medium-voltage/distribution-automation>
 - Relion Relays
 - FT Test Switches / <http://www.ft1switch.com/>
- Modular Systems / <http://new.abb.com/medium-voltage/modular-systems>
 - Energy Storage Modules, E-Houses, Mobile Substations, Compact Secondary Substations

Service / <http://new.abb.com/medium-voltage/service>

ABB Power Grids

Represented in Indiana, upstate New York, Ohio, western Pennsylvania and West Virginia

Communications Networks / <http://new.abb.com/network-management/communication-networks>

- Optical networks, Power Line Carrier, Wireless Systems, Voice Systems, Network Management

Enterprise Software / <http://new.abb.com/enterprise-software>

- Asset Optimization, Workforce & Operations Management, Real-time Control, Energy Portfolio

FACTS / <http://new.abb.com/facts>

- Static Var Compensators, Statcom, Fixed Series Compensation, Thyristor Controlled Series Compensation

High Voltage Products / <http://new.abb.com/high-voltage>

- SF6 Circuit Breakers 38-800 kV
- GIS Switchgear 72.5 – 1200 kV
- Generator Circuit Breakers
- Instrument Transformers – CT's, PT's, CVT's, CCVT's, SSVT's
- Surge Arresters
- Capacitors
- Air Core Reactors

HVDC (high-voltage direct current) / <http://new.abb.com/systems/hvdc>

Microgrids / <http://new.abb.com/power-generation/microgrids-solutions>

Substations / <http://new.abb.com/substations>

- Air Insulated
- Gas Insulated
- Energy Storage Solutions

Substation Automation Protection & Control / <http://new.abb.com/substation-automation>

- Relion Relays for Bay Control, Breaker, Busbar, Generator, Line Distance, Line Differential & Transformer Protection

Transformers / <http://new.abb.com/products/transformers>

- Polemount
- Padmount
- Unit Substation
- Substation, Generator Step-up,
- Furnace
- Bushings

Service / <http://new.abb.com/products/transformers/service>

AZZ / Electrical Power Group

Represented in Ohio, western Pennsylvania and West Virginia for non-utility accounts

<http://www.azz.com/>

Enclosure Systems / <http://www.azz.com/products/enclosure-systems-1>

- Power Centers
- Control Centers
- Custom Enclosures

High Voltage Bus Systems / <http://www.azz.com/brands/azz-energy/azz-high-voltage-bus-systems>

- SF6 Gas Insulated Lines
- High Mass design

Medium Voltage Bus Systems / <http://www.azz.com/brands/azz-energy/azz-medium-voltage-bus-systems>

- Isolated Phase Bus
- Segregated Phase Bus
- Non-Segregated Phase Bus

Switchgear Systems / <http://www.azz.com/products/switchgear-systems>

- Medium Voltage Switchgear
- Mobile Substations
- Mining Switchgear
- Protective Relay Panels

Byram Laboratories

Represented in Indiana, upstate New York, Ohio, western Pennsylvania and West Virginia

www.byramlabs.com

Submetering – single & three phase
Meters

- KWH Demand, Load Profile, TOU, Gatekeeper, Metering Point
- Meter Sockets
- Meter Calibration & Repair
- Gas Meters
- Water Meters

Advanced Metering Infrastructure
Automatic Meter Reading Systems
Hosted Services

G & W Electric

Represented in western Pennsylvania and northern West Virginia for non-utility accounts

www.gwelec.com

Switchgear, SF6 & Solid Dielectric, 5-38kV

Padmounted / www.gwelec.com/padmounted

Wind Tower / www.gwelec.com/windtower

Vault / www.gwelec.com/vault

Overhead / www.gwelec.com/overhead

Automatic Power Restoration Systems / www.gwelec.com/automationlazer

Automatic Transfer / www.gwelec.com/automatictransfer

Current Limiting System Protection / www.gwelec.com/CLIP

Cable Terminations & Splices, Distribution & Transmission / www.gwelec.com/cableproducts

IEM

Represented in Indiana, upstate New York, Ohio, western Pennsylvania and West Virginia

www.iemfg.com/products

Panelboards & Switchboards

Low Voltage, Medium Voltage and 38 kV Switchgear

Vesta Arc Resistant Switchgear: 5-15 kV, 600A – 2000A, up to 31.5 kA, 1200A footprint 24”x96”x60”, 2000A 30”x 96”x72”

Unit Substations

Paralleling Switchgear

Generator Control Switchgear

Engine / Generator Control Panels

Shore Power Panels

JAGG Electrical & Control

Represented in Indiana, Ohio, western Pennsylvania and West Virginia

<http://www.jaggec.com/>

Metal Enclosed Switchgear

Metalclad Switchgear

Load Interrupter Switches

Walk-in Aisle / Sheltered Aisle Switchgear

Custom Utility Metering Compartments

Protection & Control Panels

Represented in Indiana, Ohio, western Pennsylvania and West Virginia

<http://www.motortronics.com/>

Low Voltage Soft Starters
Medium Voltage Soft Starters
Electric Motor Brakes
Motor Protection
Motor RTD Monitor
Phase Controller

Represented in western Pennsylvania and West Virginia

www.postglover.com

Resistors: Neutral Grounding, Dynamic Braking, Rockwell IPC, Motor Control, Harmonic Filters
Power Resistor Elements
High Resistance Grounding

Represented in Indiana, upstate New York, Ohio, western Pennsylvania and West Virginia for non-utility accounts

http://na.prysmiangroup.com/en/business_markets/markets/energy-solutions/products/high-voltage/

Underground Cable

- High Pressure Fluid Filled (HPFF) 69kV – 345kV
- High Pressure Gas Filled (HPGF) 69kV – 345kV
- Self-Contained Oil Filled (SCFF) 69kV -345kV
- Cross Linked Polyethylene (XLPE) 69kV – 400kV
- Ethylene Propylene Rubber (EPROTENAX) 69kV

Splices & Terminations

Installation Services – design and installation of turnkey high voltage cable systems

Represented in western Pennsylvania and West Virginia for non-utility accounts

<http://na.prysmiangroup.com/en/index.html>

Lifeline 2-Hour Fire Rated Cables / http://na.prysmiangroup.com/en/business_markets/markets/lifeline/products/

Duct / Cable In Conduit / http://na.prysmiangroup.com/en/business_markets/markets/airport-roadway-and-duct/products/

Low Voltage / http://na.prysmiangroup.com/en/business_markets/markets/energy-solutions/products/low-voltage/

- Ecosafe, Armor / TECK, Airbag / Airguard, Tray Cables

Medium Voltage / http://na.prysmiangroup.com/en/business_markets/markets/energy-solutions/products/medium-voltage/

- Non-shielded, Non-shielded Armor, Shielded, Shielded Armor, Airbag / Airguard

High Voltage / http://na.prysmiangroup.com/en/business_markets/markets/energy-solutions/products/high-voltage/

- 69 kV to 400 kV, high pressure fluid filled, high pressure gas filled, self contained oil filled, cross link polyethylene, ethylene propylene rubber, turnkey systems,

Building Wire / http://na.prysmiangroup.com/en/business_markets/markets/energy-solutions/products/building-wire/

- XHHW-2, RHH / RHW-2, MC, SE, Mobile Home Feeder

Oil & Gas / http://na.prysmiangroup.com/en/business_markets/markets/oil-and-gas/index.html

- Bostrig, Offshore, Onshore, Marine, Data & Bus Cables, Service loops, Down Hole

Mining (MSHA approved) / http://na.prysmiangroup.com/en/business_markets/markets/industrial/products/index.html
