Payment of Fees

All fees are to be paid in the year they are charged. Fees may be paid by the following methods:

1. Annually in advance, due by 17 February 2017, with a discount of 5% on tuition fees.
2. Three instalments, due by 17 February 2017 (Term 1 tuition and other annual fees), 5 May 2017 (Term 2 tuition) and 4 August 2017 (Terms 3 & 4 tuition). Payment by due date attracts a \$10 per student discount (\$5 per student for school card families). This discount is doubled on term 4 fees only when term 4 fees are paid by 4 August.
3. By regular direct debit or BPAY instalments, by arrangement with the Assistant Bursar and/or Business Manager.

The Southern Vales Christian College Board reserves the right to terminate the schooling of a student whose fees are in arrears. The College also reserves the right to charge a late payment fee and the cost of recovery fees on overdue accounts.

When a student is to be withdrawn from the school, parents are required to give the Principal one term's notice (i.e. 12 weeks), in writing, before the withdrawal date, otherwise parents will be liable for an additional term's fees.
