## Under the Green Roof

### **Corey Janz's Conway Holy Land Bursary Presentation**

Join us on October 27, 11:30 am to 12:30 pm, in Room 2 for Corey Janz's presentation on his trip to Israel and Palestine this past summer. Each year, one Regent student travels to the Holy Land courtesy of the Conway Holy Land Travel Bursary. The purpose of the bursary, generously endowed by Dr. John Conway, is to enable the selected student to engage in inter-religious dialogue and explore issues of peace and justice.

Corey will give a presentation on his research of how art has been affected by the ongoing tensions in the Holy Land. All are welcome to attend. And if you would like to find out more information about applying for the bursary next year, visit the Scholarships and Bursary's page on the Regent College website. The deadline to apply for the 2017 award is January 13.

### **New Exhibit at The Lookout Gallery:**

#### **Irene Kordalis Pedersen: The Book of Hebrews**

Reception Wednesday, Oct 19, 2016 at 4:30pm

## **Workshop: Understanding Mental Illness from the Inside**

With Dr. Sharon Smith and Dr. Fiona Choi, Sanctuary Mental Health Ministries

October 29, 2016 from 9:30 am–12:30 pm at Regent College

How can followers of Christ understand and support individuals living with mental illness? In this workshop we will learn and think holistically about the experience, behaviors and signs of mental illness diagnoses including bipolar mood disorder, schizophrenia, general anxiety disorder, and substance use disorder. Join us as we consider a community approach that supports individuals without stigmatizing or creating co-dependent care structures.

### **Science & Religion Over Two Millennia: A Long History of Shouting?**

Tuesday, Nov 1, 2016 at 7:30pm - 9:30 pm

Dr. Tom McLeish, Professor of Physics at Durham University, is an accomplished scientist, an award-winning professor, and a passionate advocate for the integration of faith and science. From Oct. 31 to Nov. 3, Dr. McLeish will be delivering a five-part lecture series in the Lower Mainland, entitled Faith and Wisdom in Science. His recent book of the same title explores the connections between biblical wisdom literature and the history of scientific investigation.

On November 1, Dr. McLeish will stop at Regent College for the second lecture in this five-part series. Join us as we examine the historical relationship between science and religion, developing a deeper and fuller understanding of each.
