Why a National Platform?

In 1989, the Miss America Organization founded the platform concept, which requires each contestant to choose an issue about which she cares deeply and that is of relevance to our society. Once chosen, Miss America's Outstanding Teen and the state titleholders use their stature to address community-service organizations, business and civic leaders, the media and others about their platform issues. This legacy will continue. Now, in addition to her personal platform, Miss America's Outstanding Teen will also be a goodwill ambassador for Children's Miracle Network Hospitals. This national platform will provide the Miss America's Outstanding Teen Organization the opportunity to not only raise funds for Children's Miracle Network Hospitals, but also to raise additional funds for the Miss America's Outstanding Teen Scholarship Foundation, thus maximizing exposure, awareness and impact for both organizations.

What is Children's Miracle Network Hospitals?

Children's Miracle Network Hospitals has grown dramatically since its founding in 1983 from a televised fundraiser in a small studio to one of the North America's leading children's charities.

Children's Miracle Network Hospitals was founded with 2 goals:
 Help as many children as possible by raising funds for children's hospitals.
 Keep funds in the community in which they were raised to help local children.

The organization was founded by Marie Osmond and her family, John Schneider, Mick Shannon and Joe Lake.

Children's Miracle Network Hospitals most recognizable symbol and greatest fundraising tool is its red and yellow Miracle Balloon icon.

As of 2011, Children's Miracle Network Hospitals has raised more than \$4.3 billion—most of which is donated a dollar or two at a time.

Children they help:

They touch the lives of more children and their families than any other children's charity. Whether they suffer from common childhood afflictions like asthma and broken bones, or fight bigger challenges like birth defects or cancer, Children's Miracle Network Hospitals provide comfort, treatment and hope to millions of sick kids each year.

These kids aren't in faraway countries or from opposite sides of the nation—they're in your community. They may be your own children.

Every year, they identify a child with a remarkable medical story from each state. These "Champions" serve as the face for the millions of children treated at our hospitals every year. Our Champions and their families travel to Washington, D.C., and Orlando, Fla. each year to highlight the vital work of children's hospitals.

What does this mean for contestants?

Service, one of the four points of the crown, has always been important to contestants striving for the opportunity to be Miss America's Outstanding Teen. To build on this, contestants competing at any level in the Miss America's Outstanding Teen system will now be expected to create a profile to support Children's Miracle Network Hospitals and the Miss America's Outstanding Teen Scholarship Fund.

This new service requirement will not only continue the Miss America's Outstanding Teen Organization's legacy of service and scholarship assistance, but also raise funds and awareness for Children's Miracle Network Hospitals.

How will funds be raised?

Raising funds will be as easy as one, two, three, four.

1. Before participating in local, state and the national Miss America's Outstanding Teen pageants, each contestant will log onto www.maoteen4kids.org to create her personal fund raising web page and to set a fund raising goal (we recommend—\$100 local, \$250 state, \$500 national).
2. Register for Pageant- choose the current pageant you are competing in. If the pageant is not listed on the drop down menu, please contact Erica Burgin eburgin@cmnhospitals.org to have it added.
make sure to update pageants when you change competitions!
3. Once registered, contestants will e-mail friends and relatives to ask for donations to support Children's Miracle Network Hospitals and the Miss America's Outstanding Teen Scholarship Fund using a simple pre-formatted e-mail system.
4. Friends and relatives will then log on to their contestant's personal fund raising web page to make secure online donations using a credit card or check.

Congratulations

on your decision to compete in the Miss America's Outstanding Teen Competition! Here's an opportunity for you to make a difference!

For the past two decades, the Children's Miracle Network has teamed up with Miss America to raise awareness and funds for children around the country suffering from life threatening diseases. We are incredibly excited to also be working closely with the Children's Miracle Network, the official national platform of Miss America's Outstanding Teen.

We are asking each contestant to set a minimum goal that will raise \$100 for a Local Pageant, \$250 for a State Pageant and \$500 for the National Pageant to benefit the Miss America's Outstanding Teen Scholarship Fund and the Children's Miracle Network. This is a voluntary program offered to the teens competing, but I hope you will consider the many benefits of your hard work.

To fund raise, there are three easy steps:

- Click on the "new contestant" button to the left and complete your profile (a photo is optional)
- Send emails to your family and friends
- Monitor your results

You can help make the dreams of millions of kids come true who need the life-saving care and specialized services that Children's Miracle Network hospitals provide.

CMN Updates

Dear State Executive Directors,

We are excited to announce the MAOTeen National Board of Directors have chosen to move forward with our partnership with The Children's Miracle Network. This relationship will allow our teen contestants on the local, state and national level to fundraise on behalf of The Children's Miracle Network and the Miss America's Outstanding Teen, Inc. Scholarship Fund and the scholarship funds of the local and state teen organizations.

- This is NOT mandatory for the local and state teen organizations, or the local, state and national contestants, but enthusiastically endorsed by the national MAOTeen organization.
- A website, similar to the Miss America/CMN website, will assist in tracking your contestants' fundraising. Please visit www.MAOTeen4Kids.org.
- For 2011 it will be mandatory for each national contestant to complete a profile at the above website regardless if they choose to raise money.
- For 2012 it will be mandatory for all state and national contestants to complete a profile at the above website regardless if they chose to raise money.

State Level:

- 30% of all funds collected by contestants participating in the state program will return to the state organization. These funds are to be used for your scholarship awards and will be distributed by Miss America's Outstanding Teen, Inc. upon completion of the required paperwork.
- For disbursement of state earnings, MAOTeen is deducting the earnings of each state from their national entry fees.
- Additional funds remaining can be applied for by filling out this form: Click here to download the [CMN Scholarship Form](#)
- States must award these funds as scholarships provided to an individual contestant at their state pageant. States must apply for scholarships in increments of \$500.

Local Level:

FAQ 's (Frequently Asked Questions) on the **MAOTeen National Platform**

Q: As a Local director or State director, what is my responsibility?

A: Two items. **One** is to tell the contestant to register on-line at www.maoteen4Kids.org and choose your pageant as the "Pageant competing for" and ask her to send out emails to raise funds for the National Platform.

Second, after she has registered and sent out emails, prior to the pageant, simply to ask the contestant for her profile and check to see if your pageant is listed and that she has submitted all her donations for the deadline.

Q: As a contestant, what is my responsibility?

A: A contestant must register on www.maoteen4Kids.org. Go to maoteen4kids.org. Select "New Contestants Click Here" at the bottom. Complete all fields with an asterisk. Name, State, Title competing for is the pageant you are going to compete in (not one you have won a title for), etc. etc. upload a picture if desired. For exact instructions, see above.

Q: How do I know what email addresses I have sent letter to?

A: Once you are logged into your profile there is a button on the left called "emails sent." Click here to track that information.

Q: It appears from reading the information that if a contestant competed in our State Pageant 2010 and is eligible to compete for 2011 local pageants, then she must re-establish a new ID and password?

A: Yes. This is to help keep the pageant cycles clearer for all involved.

Q: Is it the responsibility of the contestant to update her own profile after she has competed in a local to reflect this? Who monitors this?

A: Yes, it is the responsibility of the contestant to update her profile to show what pageant she is or has competed in. It is the contestant's responsibility to keep the pageant data correct. It is easy and takes very little time.

Q: Has Miss America's Outstanding Teen/Children's Miracle Network Hospitals made available some place where directors can log in and have access to reviewing the info without appearing to be raising money like a contestant?

A: No. MAOTeen has not been given access to reports. We suggest you use the search bar to track your contestants.

Q: What does a local director do if the contestant has competed more times than is shown in her profile?

A: Inform her that it is her responsibility to correctly update her MAOT/CMNH profile regarding the National Platform. Every new pageant she enters needs to be listed there. The Executive Director will be looking for the pageant that she is competing for and she will need to bring a print out of her profile to that pageant she is currently competing in. It is not the duty or responsibility of the director to do this for

her. When a contestant competes at a pageant that ED simply needs to see that pageant on the printout the contestant brings at registration for the start of the pageant.

Q: What about the contestants that show up to the local/state/national with a paper check(s) for a donation because her donors do not feel comfortable using the internet in making donations?

A: Paper checks are fine. The web page outlines that and provides a form for paper check donations to be mailed in before the deadline each local/state/national determines.

Q: Do the local directors have access to look at the all the contestants that compete in a state?

A: No, MAOTeen has not been given access to reports.

Q: If a local would like to have a fundraiser, how do they/what is the process to send a check to CMN?

A: First, do whatever you would like to raise funds. You may donate on line via credit card data, e-check or send a paper check to CMN stating the funds are for the attached list of contestants on an equal basis or for a split. Mail the check(s) along with paperwork defining which contestant and the pageant name associated with the funds to:

Children's Miracle Network Hospitals,
Attn Miss America Scholarship Accounting
205 West 700 South,
Salt Lake City, UT 84101.

Q: Is there an easy way to send out emails, versus typing them in one at a time?

A: Yes. Contestants can send an email to themselves. One they get it, they can forward it on to anyone or everyone on their address list. Before it is forwarded, the contestants can add a note which precedes the pre-formatted email. This will personalize the standardized email. The contestant may ask for \$5, \$10 or any amount the donor may be able to give.

Q: Is this an indication that we should have all contestants change their personal platform to one of a National Platform (the Children's Miracle Network Hospitals charity and the MAOTeen scholarship fund)?

A: Yes and no. The plan, as announced, is to have a National Platform based around the Children's Miracle Network Hospitals. Within a hospital are many programs that lend themselves to choosing an individualized platform within the National Platform. The fund raising capability and collective capacity will result in a substantial amount of monies raised which will set Miss America's Outstanding Teen apart from other pageants. But, a contestant may still have a personal platform if she desires.

Q: How much of the donated dollars actually go to the Children's Miracle Network Hospital? Are there expenses?

A: The split of monies raised is 60% to MAOTeen and 40% to Children's Miracle Network Hospitals after expenses. The split of the 60% to MAOTeen varies between the National Pageant and the local or state pageant. In the case of a Local pageant, the Local retains 20% and MAOTeen-national gets 40%. State pageants retain 30% and MAOTeen-national gets 30%. Like any program, costs associated will be deducted and used to pay for expenses. Printing, credit card processing fees, etc. The overall percentage is expected to be small. As the program matures, the percentage of expense is expected to decrease which is what has happened in other programs Children's Miracle Network Hospitals has developed.

Q: How do individuals contribute to the National Platform?

A: If they get an email from a contestant there is a link in the email that leads the recipient to the donation site. Or, if a potential donor knows the name of the contestant they may go to www.maoteen4kids.org/search then put in the contestant's last name & click search with the mouse

arrow. (Not the enter key). Select the correct name and state from the search list and click on the “click here” button at the right side of the line. This then takes the donor to the contestant’s Personal page for the National Platform to make a donation.

Q: Will the donated dollars collected in the contestants name stay in the local area?

A: Yes. The MAOTeen portion returns to the scholarship funds for the state and local pageants. The portion that goes to the Children’s Miracle Network Hospitals goes to the hospitals that service the children of that area.

Q: If a company/employer would like to provide matching funds for a contestant and requires a Tax ID number, what number do they use?

A: The Tax ID for Children's Miracle Network: 87-0387205

Q: Where can I find more information about Children's Miracle Network Hospitals?

A: Visit <http://childrensmiraclenetworkhospitals.org/>

Q: Do I need to raise money for Children's Miracle Network Hospitals or can I raise money for my personal platform instead?

A: You must register on www.maoteen4kids.org. We recommend a minimum goal of (\$100 for Local Pageants, \$250 for State Pageants and \$500 for the National Pageant). We hope you select a higher goal. You may still support a personal platform. The Miss America’s Outstanding Teen Organization selected Children's Miracle Network Hospitals in 2007 as its National Platform. So while other personal platforms are still valid, we hope future platforms chosen will relate to the many worthy causes a children's hospital can provide.

Q: What if the photo I would like to use is in a different format than what is accepted?

A: You will need to reformat your picture to meet the following requirements: Max. Photo Size: 4MB. Type Allowed: JPG, GIF, PNG, TIF.

Q: Can I upload more than one photo?

A: No, you are limited to one photo.

Q: Can I edit my Contestant Profile?

A: Yes. Simply log in and click on the "Update Profile" located on the left navigation.

Q: Can I customize my personal page?

A: The only customizations on the personal page are your picture, full name and your fundraising goal.

Q: How do I register for my state pageant once I win my local pageant?

A: You have to go into your profile and add the state pageant.

Q: I am trying to register for an upcoming pageant, however my pageant is not currently displayed in the list of available pageants.

A: You will need to contact the specific pageant director over that pageant to have him/her contact Cynthia Nay at CMNH and have this pageant added to the current list.

Q: I mailed in a check donation and the donation has not been credited to my account. What should I do?

A: Check donations can take up to two weeks to be processed. If it has been longer than two weeks please contact Erica Burgin eburgin@cmnhospitals.org.
