Data Privacy at Cantel Medical Corp.
Thank you for taking the time to read the Cantel Medical Corp. and its subsidiaries (taken together, the “Cantel Companies”) Privacy Policy (the “Privacy Policy”). The Privacy Policy describes how we protect the privacy of the personal information that you provide to us.

EU-U.S. Privacy Shield Privacy Statement
Protecting customer privacy is important to the Cantel Companies. As part of our commitment to privacy, the Cantel Companies comply with the EU-U.S. Privacy Shield Framework as set forth by the U.S. Department of Commerce (the “Privacy Shield”). The Cantel Companies have certified that they adhere to the privacy principles set forth by the Privacy Shield, including the supplemental principles, with respect to the transfer and protection of personal information (the “Privacy Shield Principles”), received within the scope of their Privacy Shield certification, from the EU to the U.S. If there are any conflicts between the standards outlined in the Privacy Policy and the Privacy Shield Principles, the Privacy Shield Principles shall govern.

For more information about the Privacy Shield Principles, please visit the U.S. Department of Commerce’s website at https://www.privacyshield.gov/.

Privacy Policy
The Cantel Companies may use the information collected on and through our websites to process orders, determine buying trends, and to provide a more personalized experience on our companies’ websites. The requirements outlined in the Privacy Policy are subject to relevant country, federal, state, province, and local jurisdiction laws and regulations. In the case that such laws and regulations conflict with the requirements found in the Privacy Policy, the pertinent laws and regulations shall supersede the requirements of the Privacy Policy. Additional details about the Privacy Policy are available, below.

What information do we collect and how do we use it?
The Cantel Companies do not collect personally identifiable information unless it is provided to us voluntarily. Visitors to our websites can navigate the sites without revealing personally identifiable information. However, when you submit an order to our systems, we may need to know your name, e-mail address, mailing address, credit card number, and its expiration date, among other pieces of information that allow us to process and fulfill your order, and notify you of your order status.

If you chose to enter into a promotion or contest or respond to a survey or questionnaire, we may ask for your name, address, and e-mail address, among other pieces of information, so we can distribute promotional offerings, administer the promotion, contest, survey or
questionnaire, and notify winners. The Cantel Companies may need to forward such
information to fulfillment houses or distributors. However, our partners have agreed to keep
any personal information provided to them confidential and secure, unless you consent to such
information being shared with other product manufacturers.

We may also utilize your purchase history to shape our recommendations about the
merchandise or promotions that might be of interest to you. We may also monitor customer
traffic patterns, site usage, and other web-metrics to help us develop the design and layout of
our websites, determine customer preferences, and otherwise review product offerings and
trends. This may involve the use of cookies or other tracking mechanisms that are standard for
internet websites. We may also use the information that we collect, on occasion, notify you
about new products or services, special offers, or important changes to our websites.

How secure is customer information?
When appropriate, we offer the use of a secure server. The secure server software (SSL)
encrypts all of the information that you input into forms before they are transmitted to us. The
Cantel Companies will take reasonable steps to protect customer data against loss, misuse,
unauthorized access, disclosure, alteration, or destruction. However, no internet transmission is
ever completely secure or can be guaranteed to be issue-free.

What are "Cookies" and do we use them?
As mentioned previously, we may use cookies on our websites. "Cookies" are small pieces of
information that are stored by your browser on your computer's hard drive. Our cookies do not
extract any information from your computer and they do not contain any personally identifiable
information. Cookies allow us and related or affiliated third parties to know whether you have
been on the website before and help us provide features that will personalize your website
experience. Particularly, this allows us and related or affiliated third parties to deliver
advertisements that are more relevant to you and your interests. These advertisements may be
displayed on our websites or on other sites that you visit. Most internet browsers automatically
accept cookies, but you can choose to limit or eliminate your browser's use of cookies, though
doing so may impact your experience on any number of websites.

Will the Cantel Companies disclose information collected to outside parties?
The Cantel Companies do not currently sell, trade, or rent your personal information to any
other companies or individuals. We may choose to do so in the future. The Cantel Companies
may provide aggregate statistics about our customers, site visitors, sales, traffic patterns, and
related site information to third-party vendors.

The Cantel Companies may share collected information with our affiliated companies, subject
to the Privacy Policy. Additionally, data and information may be shared with dealers,
subcontractors, service providers, or other business partners of the Cantel Companies, for the limited purpose of supporting customer relationships.

Collected information may be disclosed as necessary by law, legal process, litigation, or request from public or governmental authorities within or outside of your country of residence. Additionally, the Cantel Companies reserve the right to disclose collected information if such disclosure is reasonably necessary to enforce the relevant Terms of Use for our websites, to protect users of our websites, or to safeguard the operations of the Cantel Companies. The Cantel Companies may release such information without notifying you of such disclosure.

**How do you consent to this policy?**
By using the Cantel Companies’ websites, you consent to the collection and use of all information resulting from such use, whether known or unknown, by the Cantel Companies. If we change the Privacy Policy, the revised policy will be posted on this page so that you will be aware of what information we collect, how we use it, and under what circumstances we disclose such information. By using our websites, you also agree to the applicable website’s Terms of Use and Terms of Sale; to the extent to which they apply to the Privacy Policy. The Cantel Companies are not liable for any direct, indirect, special, consequential, or other damages that may arise from any violation of the Privacy Policy or any other use of our websites. If you do not agree to be bound by the Privacy Policy, you may not view, access, or use our websites.

**How does this policy impact children?**
The Cantel Companies’ websites are not intended for children under the age of 13. The Cantel Companies will not knowingly collect personally identifiable information from children under 13 years of age. Any communications that are identified as being from a child under the age of 13 will not be retained.

**What are our responsibilities for links to outside websites?**
The Cantel Companies’ websites may contain links to websites belonging to other companies and organizations. The Cantel Companies are not responsible for the content of any other website and cannot guarantee that other websites will maintain the same privacy standard as the Cantel Companies. Users must refer to the specific privacy policy of any website that they visit to determine its relevant privacy standard.

**Questions or Comments?**
We welcome your questions and comments about privacy. We can be reached via email at privacy@cantelmedical.com.
