

# TEENS IN PUBLIC SERVICE

A benefit for teens making a difference in our community.

## Fall Luncheon

### LEND US YOUR HAND

Teens in Public Service (TIPS) is dedicated to producing future leaders committed to their communities by connecting teens with life-changing internship opportunities at non-profit organizations. TIPS is a Seattle-based non-profit organization that provides paid summer internships for high school youth in the Puget Sound region at local non-profit organizations. TIPS interns receive more than just a paycheck. It is a once-in-a-lifetime job experience, and it is a win-win-win program: for teens, non-profits, & the community at large!

For 20 years, TIPS has changed the lives of nearly 1,000 teens. Help us in giving more teens the opportunity to make a difference in our community. [www.teensinpublicservice.org](http://www.teensinpublicservice.org)
