

## **DREAMCATCHER**

*Peter Henry Phillips*

I found a dreamcatcher  
Lost halfway into his flight  
Found a dreamcatcher  
I'm gonna catch his wings and learn to fly  
And i'll be fighting hard

For my dreams  
For my home  
For my baby  
Sweet baby

Found a dreamcatcher  
I'm gonna catch all his ways and find

Someday, someday  
Gonna make it somewhere  
Well I'm almost there

I'm almost there  
I'm almost there

## **MUSIC**

The hills  
They're tides  
The hills  
They're mine  
And I go, I go there alone

The hills  
They're high  
The hills  
They're mine  
Now I go  
I go down

The hills  
They're tides  
The hills  
They drive me on

Me on
