Candy Cane Bracelet Instructions

Full Forward Knot Instructions
Candy Cane Bracelet Instructions:

1. Fold all strings in half and tie a knot about 1 inch from the top of the fold to create a loop.

2. Lay out the individual strings in the order you want your candy cane stripes to be in.
   Ex. Purple, Blue, White, Purple, Blue, White

3. Take your first colored string (Purple) and tie a full forward knot on the next (Blue).
   a. Take the colored string you would like your knot to be (Purple) and cross over the top of the next string(s) (Blue) leaving a loop on the left and tail end on the right, forming what looks like the number 4.
b. Reach through the loop and pull the tail end of your working colored string (Purple) through the loop.

c. Pull until tight.
d. Repeat a second time around the same string.
e. Your working colored string (Purple) will end up on the right of your other string(s) (Blue).
4. With the same colored string (Purple) tie a full forward knot over the next colored string (White).

5. Continue tying full forward knots with the same colored string (Purple) on the next colored string until you have tied a full forward knot on all of the other colored strings (Purple, Blue, White) creating a horizontal, and a little bit diagonal line of the same color of knots.
6. Take the new first colored string on the left (Blue) and continue the same process of tying full forward knots on the next colored string (White, Purple, Blue, White, Purple) until it has made it all the way to the right.
