

# SPRING IS FIRESHED AWARENESS SEASON

This past winter was a sobering reminder of rising temperatures and drought. With the specter of longer and more intense fire seasons, it is urgent now more than ever to take concerted action to protect our forests, homes and watersheds. Participate in Fireshed Awareness Season to learn more.

## JOIN US FOR THE 2ND SPRING SEMINAR SERIES TO EXPLORE TOPICS AFFECTING THE GREATER SANTA FE FIRESHED

Every other Wednesday\* at REI in Santa Fe, 6 – 7:15pm

**April 04** NEPA Demystified: Understanding the Framework for Analyzing Forest Restoration Projects

**April 18** Smoke Impacts: Wildfire vs. Controlled Fire & How to Reduce Smoke Impacts in Your Home

**May 02** Post Wildfire Flooding: Think Ahead of the Fire

**\*Sat, May 05** National Wildfire Community Preparedness Day: Are You Prepared? See details below.

Join the City of Santa Fe Fire Department on Sat., May 5th for National Wildfire Community Preparedness Day. Learn how to live in a fire adapted community, wildfire awareness, evacuation planning, and what to know after the fire. Location and time TBD.

FOR MORE INFORMATION ABOUT THE GREATER SANTA FE FIRESHED AND OTHER UPCOMING EVENTS, INCLUDING FIELD TRIPS, MOVIE NIGHT, HEPA FILTER LOAN PROGRAM & SCHEDULE YOUR OWN MINI SEMINAR, VISIT US ON THE WEB:
