Let's Fly With Lampert

(Refrain) Let's fly with Lampert the missionary airplane

Let's fly with Lampert and tell good news today. Let's fly with Lampert and visit all God's children who need to know Jesus, the Truth, the Life, the Way.

1 Flying over tree tops, Soaring thru the sky; He is on a mission
2 Looking for the lost ones, Guided by God's grace; Just like the Good Shepherd

so are you and I Through the clouds and sunshine we cannot delay searching every place Sharing peace and comfort from the Lord above

To share the Gospel with people far away
