Hello and welcome to Me & Mrs Jones Deli, a family run independent business since September 2015. We provide an informal yet professional eatery serving fresh homemade meals using local produce from our daily delivery of seasonal fruit and vegetables.

Our deli counter is full of local and continental cheeses and pates, rillettes and charcuterie along with olives and a selection of antipasti. Go on..... take a look or even have a taste!

Our wine selection is small yet perfectly balanced for quaffing and impressing. Wine can accompany any meal - house wine by the glass or any bottle for a small corkage fee.

### How to Order

**Look at the menu, both this one and the blackboards above counter, and order with one of the team at the till. Your food will be freshly prepared and brought to your table. Sit back, eat, drink and enjoy! Please settle up at the till at the end of your visit - we can always add anything you wish to purchase from the shop to your bill!!!**

Please note: our breakfast menu is served until middayish.

All food can be prepared 'to go' whether that's for your supper or catering for an event. Sweet Treats, Group Food, Breakfasts, Salads, Tarts, Cheeseboards, Canapes, Bespoke Menus etc..... Just ask at the counter.

Hire our Deli for your special occasion - please speak to Mrs Jones!
