## Camp Tuttle

Join us for a weekend of fellowship in the mountains!  
There will be activities for all ages and abilities. Whether you're interested in hiking, meditating, singing, board games, biking, rock scrambling, sharing faith stories, making art, reading on the deck, or just getting to know others, you're invited to join.

Camp Tuttle is about 40 minutes from WPC and offers a beautiful alpine setting at the top of Big Cottonwood Canyon. We have the camp reserved from Saturday morning thru Monday morning and folks can join for one or two overnights, or come up for the day(s). Food will be provided by the camp cook and lodging includes bunk beds in rustic cabins.

First come, first served as far as cabin space goes.
