We will participate in Perfect Game events as well as showcase events at college and universities such as the University of South Alabama, Troy University, Mississippi State, and others across the southeast.

In 2015, Birmingham Baseball had 14 college signees plus three 16 year olds offered D-1 opportunities and one in the MLB draft.

Signing period will open in November for 2016 and we anticipate more success for our 2016 graduates.
