**Oven**

1. Make sure the oven is unplugged and completely cool.
2. Apply mild cleaner to a soft, damp cloth or sponge (not the oven surface).
3. Clean the oven. Do not use a dry cloth on the display.
4. To clean the door, use a glass cleaner (or the same mild cleaner) and a soft, plastic scouring pad or sponge.
5. Allow to dry before using.

**Accessories**

1. Apply mild cleaner to a soft, damp sponge or soft, plastic scouring pad (not the accessory surface).
2. Clean accessories. Soak in warm, soapy water if necessary.
3. Put the crumb tray back in the oven before using.

**Stubborn Grease**

1. Mix 2 US tbsp / 30 mL of baking soda with 1 US tbsp / 15 mL of water to form a paste.
2. Spread the paste, then scrub.
3. Let sit for 15 minutes.
4. Wash with soap and water.

**After Every Use ...**

- Clean inside the oven. Clean the outside when needed.
- Clean trays, racks, and other accessories.
- Slide crumb tray out and discard crumbs.

*Note: To avoid scratches, do not clean with abrasive cleaners or metal.*
