

# Business Partnerships

Redondo Beach Educational Foundation (RBEF) is an organization dedicated to enriching the educational experience of all the children of the Redondo Beach Unified School District. We support programs that develop the whole child, such as: lab science teachers, vocal and band teachers, college-going curriculum and activities (including early college aptitude tests), inter-mural sports, and many more.

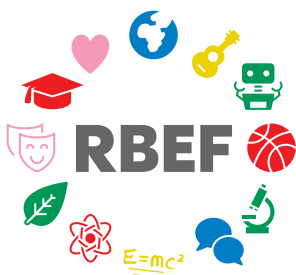

Your investment in RBEF is invaluable to the over 9,700 students in the Redondo Beach Unified School District. Never underestimate the power of your investment in our kids. Together we will make a difference. Please join our efforts to prepare the children of tomorrow, today.

**Our Kids. Our Community. Our Legacy.**
