Mission and Outreach

For the Mission and Outreach Committee of CPCBA, an important goal is to develop meaningful collaborations with the local mission agencies that our church supports.

Using the information in this brochure, you can learn about the work of six of those local agencies, and perhaps join us in supporting their activities.

- The Center of Bellevue
- Foundation of Hope
- HEARTH
- North Hills Community Outreach
- Northside Common Ministries
- World Vision
Northside Common Ministries  
(Pleasant Valley Men’s Shelter)  
http://www.ncmin.org/

Once each month, CPCBA volunteers prepare and deliver a meal to the men at Pleasant Valley Men’s Shelter on Brighton Road.

From one month to the next, different crews of volunteers take responsibility for preparing and serving a meal for about 30 men.

World Vision  
Distribution Center  
https://www.worldvision.org/

Several times each year – generally on a Saturday morning – volunteers meet at the church parking lot and carpool to the World Vision Gifts-in-Kind Distribution Center in Sewickley.

At the center, they sort and pack items for shipment to needy people in communities in this country and around the world.

The Center of Bellevue  
548 Lincoln Avenue

Once each quarter, CPCBA volunteers contribute their cooking skills, along with time and money, in preparing a large-scale meal.

They then drive to the Center and serve the meal to 80 to 100 adults and children. They make possible an evening of warm fellowship with friends and neighbors from our local community.
Foundation of Hope
https://www.foundationofhope.org/

The Foundation of Hope, an interfaith agency, works with incarcerated and recently released men and women, helping them rebuild their lives.

Our congregation has supported the foundation with donations of goods, and financial contributions.

HEARTH
https://www.hearth-bp.org/

HEARTH provides supportive services and housing to families who are escaping domestic violence, helping them become independent and self-sufficient.

In a relationship going back many years, CPCBA has supported the annual “spring shower” of goods for residents, carried out several service projects at the site, and organized a jazz concert to raise funds for HEARTH.

North Hills Community Outreach
https://nhco.org/

NHCO provides a wide range of services to people in our community. Individuals from our congregation have volunteered at the food bank (now located at Greenstone Methodist in Avalon), and we collect donations of food and paper products.

Winter coats, as well as hats, scarfs, and gloves, are collected each year for the NHCO Coat Drive.
