ShoutOut

Purpose
The purpose of this policy is to provide an overview of the measures that the organisation has in place to ensure that children are protected from harm.

Scope
This policy applies to all employees, volunteers, and Board members who have contact with children and young people in post-primary schools, youth groups, and other institutions (aged 11-18) through their work on behalf of ShoutOut.

ShoutOut Child Safeguarding Statement

In accordance with the relevant provisions of the Children First Act 2015, the ShoutOut Child safeguarding statement (CSS) has been circulated to all staff, volunteers and Board members. The CSS is publicly available to our service users, their parents and guardians, to Tusla and any interested parties on the ShoutOut website. A hard copy of the CCS and its accompanying child protection policies and procedures are available on request.

1. **Name of service being provided:** ShoutOut - educational workshops for children and young people.

2. **Nature of service and principles to safeguard children from harm:**

ShoutOut is a registered charity committed to improving life for LGBTQ+ people by sharing personal stories and educating post-primary school students, parents & guardians, teachers, youth workers, and workplaces on LGBTQ+ issues. ShoutOut provides educational programmes on LGBTQ+ inclusion for a variety of different stakeholders including young people in secondary schools and youth groups.

ShoutOut has been operating since 2012 and received charity status in 2017. Since 2012 we have delivered over 2250 workshops and have spoken directly to over 67,000 people, most of whom are secondary school students. ShoutOut is governed by the Board of Directors which is led by the chairperson, Sean O’Sullivan.

ShoutOut delivers workshops that focus on LGBTQ+ inclusion, in schools, workplaces and other organisations. All workshops which take place in schools, or other settings with minors (e.g. youth groups), are organised directly through those organisations, on their premises. Each of these settings have their own Child Safeguarding Procedures, policies and garda vetting. ShoutOut adheres to the procedures and policies set out within these organisations. In each setting, there are adults within that organisation present (e.g. teachers, school staff members, social workers). At no point are ShoutOut volunteers alone with a child.

As an organisation dedicated to the wellbeing of young people, ShoutOut is committed to ensuring that all young people, and specifically children under the age of 18 years, are safe from harm while availing of our services.
Children and young people are involved with ShoutOut through workshops in their schools, youth groups, sports clubs, and educational institutions. These workshops are delivered by ShoutOut staff and volunteers.

All workshops delivered by ShoutOut to young people currently take place on the premises of their schools, organised directly through those organisations. Each of these settings holds their own Child Safeguarding Procedures, policies and garda vetting. ShoutOut adheres to the procedures and policies set out within these organisations. In each setting, there are relevant people within that organisation present (e.g. teachers, school staff members, social workers). At no point are ShoutOut staff or volunteers alone with a child.

Due to the nature of our work, ShoutOut does not have sustained interaction with any individual child or young person. ShoutOut staff and volunteers do not form any kind of sustained relations with children or young people. At no point does the work carried out by ShoutOut staff and volunteers raise to the level of caregiving to children or young people, nor the supervision of children or young people. At all points supervision is managed by teachers of the young people in ShoutOut workshops who supervise the workshops and students participating.

ShoutOut’s interaction with children and young people adheres to the following guiding principles:

- The best interests of children and young people are central to the ethos and work of ShoutOut and we are committed to upholding the rights of every child and young person who avails of our service;
- The safety and welfare of children and young people are of paramount importance;
- Children and young people have the right to be protected from harm, including but not limited to assault, ill-treatment, neglect, or abuse of any kind.
- Children and young people have a right to be heard, listened to, treated with respect and taken seriously;
- A proper balance must be struck between protecting children and respecting the rights of parents/guardians/carers to be consulted and involved in matters concerning their family, while understanding that where a conflict arises, the safety of the child comes first;
- Our guiding principles apply to all staff, volunteers, and Board members;
- All Board members, staff, and volunteers must abide by the policies, procedures and guidance encompassed by our child safeguarding statement and accompanying child protection policies and procedures;
- All staff and volunteers must be knowledgeable about and follow ShoutOut’s Guiding Principles and Child Safeguarding Procedures and all other policies and procedures.
- All staff and volunteers receive training in child protection and safeguarding and copies of the organisation’s safeguarding statement.
- Everyone at ShoutOut will give accurate and truthful information to the DLP, TUSLA, and/or An Garda Síochána if and as required;
- We will review our CSS and accompanying child protection policies and procedures every
2 years or sooner if necessary;

- The designated liaison person for ensuring that our child protection and safeguarding procedures are followed is:
