

FourWinds Academy's Healer Certification Program, Level 1

Cincinnati, OH

Overview

A professional and technical training in core energy healing techniques. Subjects include Intuition, Energy Healing, Shamanism, and Crystal Healing. Our Healer Certification Program (HCP) is currently being presented in modules, to accommodate regional attendance.

Attendees at our weekend courses receive credits toward their certification. Students who earn the necessary credits in the 5 subjects of Energy Anatomy, Intuition, Shamanism, Energy Healing and Crystal Healing become eligible to apply for HCP certification.

Intention

Upon certification, graduates will be able to give professional healing sessions with confidence in their training and their skills.

Philosophy

In Energy Healing, as with subjects like Writing and Painting, there is no "right way." Our course is designed to cultivate "the inner healer in you" by providing a foundation of knowledge and a vocabulary of technical skills.

Special Features of Our Course

- Face-to-Face Instruction
- Supervised Practice of Skills
- Small, Personalized Classes
- Panel of Teachers Trained in Multiple Modalities
- Tested Curriculum Developed by Experienced Healers

Syllabus

We study the Etheric Web, and the Anatomy of the Energy Field and the Energy Body, Intuition, Energy Healing, Shamanism, and Crystal Healing.

The syllabus is organized into a chakra-by-chakra investigation, exploring each

chakra and each layer of the aura.

Every class includes experiential training and time to practice and develop energy healing skills.

Skill Development

Students reach an appropriate proficiency in:

- Meditation
- Visualization
- Intuition
- Telepathy
- Shamanic Journeying
- Accessing Spirit Guidance
- Channeling
- Using Crystals and Other Vibrational Healing Tools
- Adjusting the Energy Field and Energy Body
- Professional Ethics
