

A group of dancers in red leotards are performing a synchronized routine. The background is a vibrant, cosmic scene with a large, stylized star graphic. The star is yellow and purple, with a white outline. The text '2021 LEGACY DANCE' is written in a bold, stylized font across the star. Below it, 'CHAMPIONSHIPS' is written in a smaller, yellow font. The dancers are in various dynamic poses, with one dancer in the foreground performing a high kick. The overall atmosphere is energetic and celebratory.

THE WAY COMPETITIONS OUGHT TO BE!
2021 REGIONAL COMPETITION

Dear Friends,

Thank you for your support and belief in Legacy Dance Championships. It is our goal to continue to improve the competition industry as we know it. Not just by offering the largest cash prizes and scholarships in the business, but by staying true to the essence and spirit of competition and encouraging improvement and sportsmanship for all.

We know that it is not easy to attend dance competitions and we are honored you chose us. Thanks to you and your instructors believing in us and what we stand for, we continue to grow and move forward as an industry leader. Legacy is all about dance education. It is our hope that this system will inspire every performer that sets foot on a Legacy stage to reach their full potential, not only as dancers, but more importantly, as human beings.

We'd like to notify you of a few audience rules that Legacy adheres to:

- There is no saving of seats. This is a free event and seating is open.
- Please allow others to view their children & students easily when yours are not on stage.
- Try to move up & down the aisles as quickly as possible when leaving & entering the theater.
- Be courteous to all audience members and competitors alike.
- Turn your cell phones off or to vibrate.
- There is absolutely **NO** Video Taping or Photography permitted of any kind in the theater, except during awards ceremonies.

It is extremely hazardous and distracting to the dancers. Being that our events are open to the public, we need to protect the welfare of your children, as well as the copyrights of your teachers & choreographers. Legacy provides professional Video and Photography Departments. You can purchase high quality videos and photographs of this event at reasonable prices through them or online.

Once again, realizing that you have many choices when it comes to dance competitions, we are thrilled and honored that you chose us. We hope you enjoy what we feel is going to be an exciting weekend of dance!

Sincerely,

David Sanders

MEET THE JUDGES

MARLOWE SCOTT

Marlowe began his dance training in East Brunswick, NJ. He was a competitive dancer growing up, earning several regional and national titles. Marlowe continued his dance training at North Carolina School of the Arts in Winston-Salem, NC. After finishing school he went on to perform with the Alvin Ailey Company at City Center in NYC. Marlowe then toured Europe as a backup dancer for Diva Despina Vendi (I Can't Be) and appeared in one of her music videos. Returning to the states, he's performed choreography by former Madonna dancer Slam, danced in many industrial performances and appeared in the Off-Broadway musical "Thin Line" produced by Vogue magazine's Joe Zee. Marlowe's TV credits include the Carrie Underwood music video "See You Again" and he performs every year in Manhattan's annual Mega-Event "Broadway Bares" at the Hammerstein Ballroom. Marlowe has also been teaching young dancers for decades. His former students have been signed by top agencies in the industry and have gone on to compete on "So You Think You Can Dance", and dance for Chris Brown, Meghan Trainor and Beyonce. His former students are also currently working on Broadway in Anastasia, Hamilton, Aladdin, Frozen, Pretty Woman and The King and I. Marlowe is the Executive Producer and Choreographer of the smash Off-Broadway Production, Over the Rainbow-The Rock Ballet. OTR features an all youth pre professional cast and has had sold out runs in 2019 & 2020, the most recent run sold out the Mainstage Theatre on 42nd St. in NYC. Marlowe and crew are scheduling an east coast tour to run August of 2020 with auditions running throughout winter and spring of 2020. Thrilled to be able to spend the weekend with you, Marlowe urges all dancers to have fun on stage and share your joy of dance with us.

COURTNEY DAGAYEV

Courtney is a native of Atlanta who has been dancing since the age of 3. She grew up as a competitive dancer and received her BA in Business Management with a Dance Minor from the University of Central Florida in 2013. During her time at UCF, she founded & developed The Knights and Damsels Dance Company—the first technique-based dance organization at the University of Central Florida. Courtney has taught dance to students of all ages since 2010. Her true passion includes teaching & setting choreography. She also travels as an adjudicator and master class instructor. While she enjoys teaching all forms of dance—from lyrical to jazz to technique—she is well-known for her award-winning contemporary choreography. Courtney recently relocated to Denver and is now enjoying working as a freelance artist. Her main focus these days is to motivate and inspire young dancers to reach their fullest potential. Excited to be here with Legacy this weekend, Courtney urges all competitors to have fun and leave it all on the stage!

KENNETH OWENS

Kenneth Owens was born in San Francisco, California where he fell in love with dance and started his dance training. At a young age, his family relocated to Omaha, Nebraska where he continued his training in all styles of dance. For 18 years, Kenneth has trained and performed in many different facets of the performing arts. Growing up as a competition and convention kid, Kenneth has received many regional and national awards as well as titles. During his senior year of high school Kenneth placed first overall at a national dance competition with his own choreography and received the highest score of the entire competition. After graduating high school, Kenneth moved to Chicago, Illinois and studied at Columbia College Chicago. In his time there, Kenneth also trained under his mentor, Homer Hans Bryant, the Artistic Director of the Chicago Multicultural Dance Center and the Assistant Artistic Director of Giordano Dance Chicago. After a few years of performing and studying in Chicago, Kenneth decided to move back to Nebraska where he received his Bachelor's Degree in Business Administration and a Minor in Dance from the University of Nebraska Omaha. Kenneth is currently the Artistic Director of Grace Unchained Studio in Omaha, Nebraska and he continuously leads his team to success as well as trains his dancers to travel and assist with the best conventions in the industry. Kenneth's choreography has led him to receive many Industry Dance Award nominations, as well as have himself and his team invited to perform and compete at Walt Disney World. In his spare time he teaches at a high school in Omaha, Nebraska where he is an adjunct faculty member in their Dance Department. Kenneth continues to further his training by being a part of a professional modern dance company in Omaha and participates in conventions and master classes throughout the country. Kenneth hopes to inspire and be inspired through the art of dance this weekend.
