New to Schoology | Getting Started

Step 1. Go to www.schoology.com
Step 2. Click on “sign up” in the upper-right corner.
Step 3. Select “student”.

Step 2.

Step 3.
Register

Step 4. Enter your group access code (you can find the code in the preparation document emailed to you).

Step 5. Complete your account information. Use a password that will be easy for you to remember and/or make a note of your password.

Tip: Use a personal email and not a school email. If you forget your password, Schoology will send the password reset email to the email address you used to sign up. If you entered a school email address during sign up, but lose access to that email later, you will have no way to reset your password and thus no way to access Schoology.
