GENERAL STANDARDS OF PRACTICE FOR SYSTEMS ROLES
(Head of Technology, Curriculum Director, Director of Finance, Human resources, etc.)

1. Design and lead processes and services that demonstrate that the ultimate outcome is promotion of the school’s mission.

2. Manage and monitor the day to day delivery of services.

3. Ensure processes and services are reflective of the most current research and thinking.

4. Systematically reflect on and learn from practice.

5. Conduct all aspects of your role in ways which demonstrate a knowledge of and sensitivity to the culture of transition and mobility characteristic of international schools

6. Collaborate positively with all members of the school community (student, colleagues, parents, leaders).

7. Model the skills and attitudes of global citizenship, antiracism and intercultural sensitivity and proactivity.
