

**Rayne** Clinical Nutrition™

# We're going to keep this short and sweet.

Introducing the newest addition to our lineup of simple ingredient treats: **Sweet Potato Crunch!**

We aren't kidding when we say the ingredients are super simple, either: sweet potato & citrus fibre. That's it, that's all!

They are made in Ontario out of local ingredients by a team that is 100% committed to producing the safest, highest quality treats!

At Rayne, we provide exceptional food and treats to promote healthy and happy lives for your pets. *After all, we are pet owners, too.*
