“I HAD A FEW OBSTACLES IN COLLEGE ...”

- Putting my friends first, before my studies, made me fall behind.
- **Staying up all night** watching TV, made me late or even miss class.
- **Keeping up with my scheduled** activities was hard because I wanted to hang out with friends.

“LIFE’S PURPOSE

FINDING THEIR OWN MEANING IN LIFE”
I know what feels like to have a kid with a disability....

Because I have a disability. It is not easy.

Some adults don’t understand to be respectful to kids with disabilities.

Kids are trying their best.

They don’t want parents to speak for them.
