

WELCOMING WEEK

September 9-18, 2022

This is

Where We Belong

This September, a network of more than 300 nonprofit organizations and community partners across the U.S. will celebrate the 10th anniversary of Welcoming Week. Through community events, award ceremonies, and other activities, the annual celebration is a time to honor the values that foster a spirit of belonging. To commemorate this milestone year, the theme is, "Where We Belong."
