Our Vision

Our business vision remains “total commitment to our clients” and to build upon relationships we have forged over the last 30+ years as well as develop new partnerships all with the common goal to help our clients meet the evolving technological challenges of this century.

Our Services

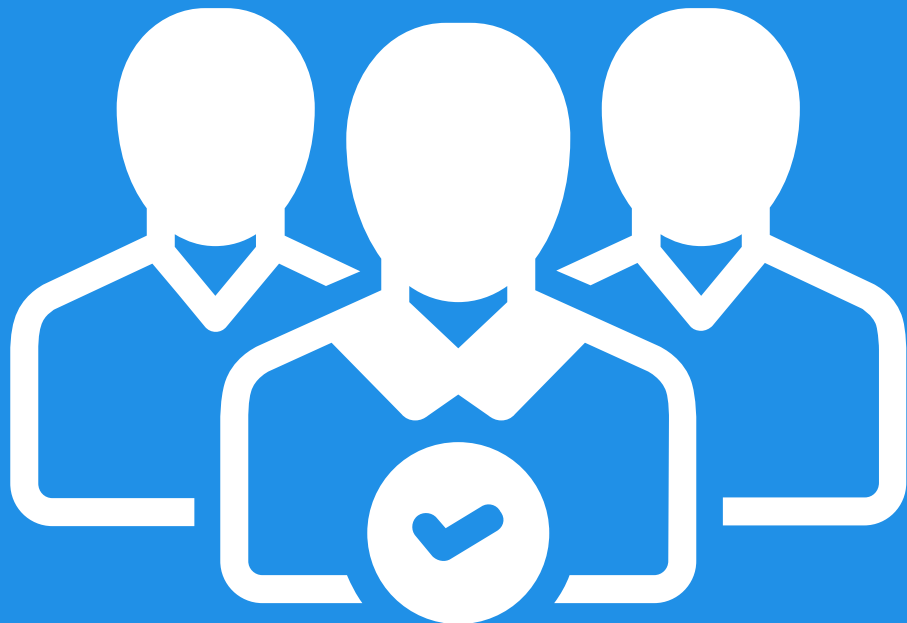

TECHNOLOGY STAFF AUGMENTATION

ICS has a team of dynamic recruiters and a nationwide database which enables a realtime search for ideal candidates. The consultants we place are highly skilled and experienced in a vast range of technologies.

CONTRACT-TO-HIRE

Our recruiters seek long-term matches to fit the position and that will be a good fit for your culture, business and technical environment. This model allows you and your prospective hire to test things out before making a long-term commitment

PERMANENT PLACEMENT

ICS can source candidates for direct hire. Every direct hire placement includes a 60-day guarantee and candidates go through our rigorous screening process to ensure the proper fit.
