

Join MALAYSIA'S **BIGGEST** EDUCATION GIVING CAMPAIGN

A campaign by:
**100%
PROJECT** 
www.100percentproject.org

Every year teachers from across Malaysia spend far too much money out of their own pockets to provide the best learning experience for their students.

We think we can help these teachers out by sending them specially designed care packages to get their year started off right. Show them some love, y'know?

HOW DOES IT WORK?

OUR CARE PACKAGES

We have analysed our data and conducted surveys to design four (4) special care packages that will bring impactful results at the start of the school year.

Each care package is worth **RM5,000** and is designed to:

Improve literacy and numeracy in primary and secondary schools

Classroom Aids

Increase student participation and engagement in classroom

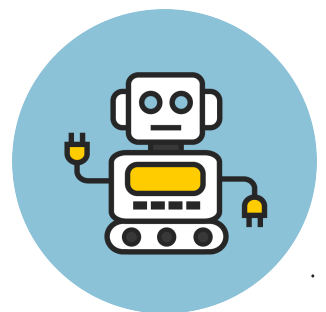

Multimedia Kit

Encourage student interest and participation in popular sports

Sports Kit

Expose students to problem solving and creativity skills.

Digital Maker Kit

Note: For full list of items, please refer to The BIG GIVE Item List
