Ortus Africa is a professional services firm bringing together resources in legal, tax and business advisory to offer a full suite of services.

We bring to you strong and unrivalled on-ground support and ability to work alongside your team to deliver the results that you seek.

Ortus Africa mission is to be the firm that best anticipates & understands clients’ needs and adds value through legal, tax and business advisory services.

Values

Professionalism
We are civil, competent and act with probity.

Excellence
Best Service by the Best Team.
"Autograph your work with excellence".

Team Work
Tapping into each others' strengths and support to each other.

Integrity
We are ethical, forthright, and honest in order to earn the trust of our clients.
DroneNerds Africa a.k.a “The Side Hustle”
The drone lawyer shaping 4IR adoption in Uganda

Risk management tips

- Seek legal advice at project planning
- Do appropriate due diligence
- Talk to the regulator
- Data trusts and escrows
- Consider appropriate insurance cover
- Inform local authorities
- Open source data
- Data protection practices e.g. encryption
- Standardization (KML, GPKG, AIXM, etc)
- Pay attention to the metadata too
- Service Level Agreements must be customized
