EDUCATION

MS in Human Computer Interaction

GEORGIA INSTITUTE OF TECHNOLOGY, USA

[GPA 4.0/4.0]

08/2017 - 05/2019

B. Engg in Mechanical Engineering with Management

UNIVERSITY OF LIVERPOOL, UK

08/2010 - 06/2013

EXPERIENCE

UX Designer

EXPERIENTIAL DESIGN LAB

04/2016 - 08/2017

- Led several product's user experience, interface design, & brand design. Took part in Agile process & iterated on screen designs based on user feedback.
- Defined user needs by synthesizing research data of an Experience Center. Redesigned users' spatial journey for a 25% quicker product learnability.

Industrial Designer

KLOVE STUDIO

01/2014 - 10/2015

- Enhanced client experience by incorporating an AR app into a client pitch. App showcased lighting designs in a 3D spatial context resulting in 40% faster order closing time.
- Led team of 4, designed & executed all design deliverables from user research to prototyping & production for 15+ large scale lighting installations.

PROJECTS

UX Designer + Researcher

INFOGRAIN

08/2017 - 12/2017

- Mobile app helping students with dietary restrictions find suitable restaurants & meals. Conducted observations, interviews, & surveys to inform app design. Led team during research synthesis & ideation phase of project. Designed hi-fidelity user flows & interactive prototypes to conduct user testing.

UX Designer

GTIPS

08/2017 - 12/2017

- Designed an iOS app prototype that measures cognitive impairment through a series of tests for driving impairment. Designed iteratively with psych researchers to optimize test creation methods & user data analysis.

ACHIEVEMENTS

- Finalist for Project Infograin at 'Convergence Innovation Competition' (2017)
- Self published author of children's book 'Good Night Princess Sia' (2016)
- Gold Award, Duke of Edinburgh Awards (2010)
- Product designs showcased in Architectural Digest & Elle Decor Magazines

SKILLS

UX Design

Sketching
Wireframing
Ideation
Design Thinking
Info Visualization
Collaboration
Paper Prototype

UX Research

Affinity Diagram
Contextual Inquiry
Personas
Interviews
Usability Testing
Task Analysis
Storyboarding
Surveys

TOOLS

Design

Sketch
Photoshop
Illustrator
InDesign
Fusion 360

Prototyping

Invision
Balsamiq
Principle
After Effects

Programming

Arduino
Processing
HTML
