

Strengthen Sunset

The **Parent Advisory Council (PAC)** of Sunset Middle School runs on volunteers and donations. Please consider supporting this wonderful non-profit organization with your *time or money*.

All monetary donations are TAX DEDUCTIBLE according to the IRC Section 501(c)(3).

The PAC's goal is to provide support to your students and teachers. In the past, we have purchased technology equipment to compliment the district provided iPads, along with many other items that are not within the school district's budget. Our organization is critical to providing items to the classroom that cannot be funded by the district...and your kids benefit from these contributions.

This is the first year that Sunset Middle School will NOT hold the magazine fundraiser. So your support to the PAC of Sunset Middle School is critical so that we can make our school a priority for our kids. Also, remember that many local companies have matching gift programs which effectively double your donation. Please check with your employer about these programs.

Please remember that any donation, no matter how great or how small, is greatly appreciated. We thank you for supporting our Spartan Community.

Donations can be dropped off at the front office or sent to the following address:
