

June 2018

Dear Incoming Third Grader,

Here are a few activities to work on over the summer that will help you start off third grade on the right foot this coming August.

1. Work on your addition and subtraction facts so that they are committed to memory by the beginning of school.
2. Review regrouping so it is current in your mind as well.
3. Read **at least** 20 minutes **everyday**.
4. WRITE..... WRITE.....and then WRITE some more!
Keep a journal. Write emails or letters to friends.
Be mindful of capitalization and punctuation.
5. Practice your penmanship. Make sure your letters are formed correctly.
6. Look into a summer workbook.....teachercreatedmaterials.com
Find the one for entering 3rd grade reviewing 2nd grade material.

***** SUPPLY LIST *****

We would appreciate it if you could have these items on the first day of school.
