

June 2018

Dear Incoming Fourth Grader,

Here are a few activities to work on over the summer that could help you start off on the right foot next school year:

1. Ensure mastery of math facts (addition, subtraction, multiplication, and division). Good websites to visit include:
  - <http://webmathminute.com/>
  - <https://xtramath.org>
2. Read at least 2 books within your reading range.
3. Write! Write! Write!
  - E-mail/write letters to friends or relatives
  - Keep a journal of special events or summaries of books read
  - Proofread for grammar, spelling, conventions, and so on...
4. Practice typing skills, with proper finger-positioning. A good website to visit is:
  - <http://www.kidztype.com/>
5. Practice general skills:
  - A great workbook can be found at:  
<https://www.teachercreatedmaterials.com/administrators/p/kids-learn-getting-ready-for-4th-grade/17791/>
  - [www.softschools.com](http://www.softschools.com)

Have a relaxing and productive summer!

Warmly,  
The Fourth Grade Teachers
