### TIPS FOR TAKING THE TOUR

- Plan on visiting 3 to 4 farms, budgeting 1 hour for each.
- Bring a cooler! You'll be able to buy produce, eggs, cheese, meat and other farm products at many of the farms.
- Use your Head and Yer Foot! Please take time to use the hand sanitizer provided at each farm after petting an animal. Some farms may ask you to disinfect your shoes to prevent farm-to-farm transmission of germs that might stick to your shoes.
- Bring sunscreen, hats, bug dope and water!
