A Little About Keith...

"I am Camp Cedarwood's year-round Director of Operations. Everything Cedarwood does aims to provide inspiration. hope. purpose. And Cedarwood just happens to be an unique summer camp, specializing in meeting the needs of non-Christian teenagers. During the non-summer months, Cedarwood hosts school and church groups, providing excellence in outdoor education and spiritual renewal. I grew up going to camp. And every time, it was a powerful experience. I made new friends, tried something challenging, and I grew in my relationship with Jesus. Now I'm giving back; helping the next generation find inspiration. hope. purpose. Cedarwood is a resort-like facility, on the Canadian Shield, near Lac Du Bonnet (Manitoba's outdoor playground). It offers a great variety of activities, amazing food, and loving people who will make your experience fun, relaxing, and transformational."
