

St. Peter Claver

## Kindergarten Homework

Week of: April May 8th

Twenty-two more days until Graduation! Greg & Steve was a wonderful field trip. Thank you to all who drove and for those who came along as well. Open House is Wednesday! We have been working hard to show you our amazing efforts, so I hope you will all be there. The time is 6:30-7:30. The Crowning of Mary is Friday at 9:00 in the Youth Center. Our Bake Sale will be on the 25<sup>th</sup> and 26<sup>th</sup> of May (Please mark your calendar). This is the time that your child will practice with using money. I will be asking the parents to donate baked goods for the Bake Sale.

This week we will be working on the letter Jj (the sound in jump). Our high frequency words are: been, could, those, go.

### Homework for the week:

- Practice reading and writing the high frequency words. Complete the writing practice, writing each word 3 times each.
- Read the enclosed phonics and reading book.
- Don't forget sharing letter Jj bag on your child's assigned day.
- Complete the journal assignment.

Thank you for your help!  
Your Kindergarten Teacher,  
Mrs. Meyer

### Journal Assignment

Dear Families,

Since they have come up with a title, setting and characters for their story, I would like them to come up with a problem and a solution. Do not put anything else. They may illustrate the problem or the solution. Please write the date in the upper left-hand corner.
