Kindergarten Homework

Week of: November 4th

Thank you very much for all of your help making the Halloween Carnival and afternoon a complete success! If you are wondering how to get rid of the massive amounts of candy accumulated during Halloween, I have a wonderful solution. I will be bringing letters written by our students to the “For the Troops” organization this week and would love to bring them left over Halloween candy. I have already primed your students about this, so it is a wonderful opportunity to teach your child to give of themselves. I will be taking it on Thursday after school if you are interested. Thank you all for signing up for conferences this week. We will be meeting in our classroom. Please arrive at your time, as I have conferences back to back and really need to stay on track.

Homework for the week:

- Practice the proper formation of Ss when printing the letter. Watch your child to make sure they are starting at the top of the line.
- Complete the enclosed phonics page. Have your child use kid-friendly spelling on each picture and then color the picture that starts with the “Ss” sound. On the opposite side, do the same.
- Follow the directions for the math pages.
- Please read a story to your child every night.

Thank you for your help!

Your Kindergarten Teachers,

Mrs. Meyer and Miss Roe
