It was wonderful meeting with all of you and talking about your wonderful children. I will be offering a small class on helping you to understand what and how your children are learning to read. We will meet on Monday, November 21<sup>st</sup> here in Room #4 at 7:00 pm. It should only take between 15 minutes and a half an hour, but packed full of important information. Look for your child's part for the Advent Program in this packet today. If they have a speaking part, please start practicing it now. We need four empty toilet paper rolls per child as soon as you are able to send them in for our Advent wreaths. This week we will continue working on the letter "L".

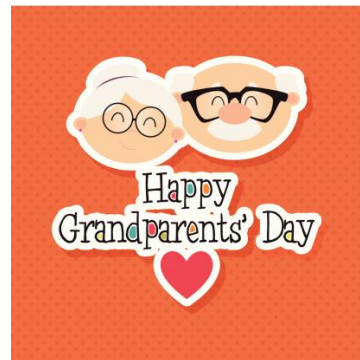

### Homework for the week:

- Complete the enclosed page on the sound Ll. Please have your child write out "ALL" of the words and then color the words starting with the letter Ll. Do both sides.
- Complete the printing page with the letters already covered (Just 5 times for each letter). Please encourage having pride in their work...that is what we are working on.

Thank you for your help!

Your Kindergarten Teacher,

Mrs. Meyer
