

St. Peter Claver School  
**Kindergarten Homework**  
Week of: April 9th

I hope you enjoyed your Easter Break. We have only 42 days left of school, but much learning will take place, so don't let down yet. We are still doing our fundraiser called Spare Change. Just put your spare change in the jug and the children will be helping those children in need. Miss Mary had surgery on her broken knee and will be out for quite some time. Lisa Fabry will be in the office Monday, Tuesday and Friday mornings to help with any questions you might have. Attached is a permission slip for the Landfill. Please make sure it is turned in by Wednesday and let me know if you are able to drive. We will be going to Mass on Friday morning, and we have a 12:30 dismissal for our monthly Staff Meeting. This week we are working on the letter Vv. Our high frequency words are: then, some, many, she.

Homework for the week:

- Practice reading and writing the high frequency words. Complete the writing practice, writing each word 3 times each and a sentence using one of the words.
- Read your books.
- Please follow the Journal Assignment carefully.

Thank you for your help!

Your Kindergarten Teacher,

Mrs. Meyer

**Journal Assignment**

Dear Families,

This week, I would like your child to think of a story on their own. They need to come up with the setting, a title, and the characters. We will be adding to the story next week. Have your child illustrate the setting and characters. Please put their title and date in the upper left hand corner of the page.
