

St. Peter Claver

Kindergarten Homework

Week of: April 30th

Can you believe we only have 6 weeks left of school? First grade here we come! Tuesday is our Restaurant Fundraiser at Hook Burger. . Friday is Mass at 7:30 and we have a 12:30 dismissal due to our monthly Staff Meeting. We will be going to In & Out on May 9th and enclosed you will find a permission slip. We have many restrictions on this field trip, so please be understanding about the amount of chaperones I am allowed to take. This week we will be working on the letter & the sound of Qq. Our high frequency words this week are: these, so, other, would. We have only a few letters left. Can you believe it? We are almost done with the school year!

Homework for the week:

- Practice reading and writing the high frequency words. Complete the writing practice, writing each word 3 times each. On the last line, see if your child can write a sentence using one of the high frequency words. Remind them to start with an upper case letter and end with punctuation. (Kid friendly spelling is okay, but high frequency words should be spelled correctly)
- Enclosed is a phone. Write the phone number your child should know in order to reach you. Also, practice this number with them.
- Read the enclosed phonics & reading book.

Thank you for your help!

Mrs. Meyer

Journal Assignment

No Journal assignment this week!
