

## Peppino Press and Artists quotes

"Peppino writes wonderful guitar pieces. He's one of my favorite composers for this cranky instrument. Plus, he's a tone player. I love his sound... gets the resin and the wood."--**Leo Kottke**

"Peppino's music is deep and beautiful." –**Tommy Emmanuel**

"Peppino brings warm humanity to the acoustic." –**Adrian Legg**

"The music Peppino creates, is like him, generous, lyrical and abundant." –**Pierre Bensusan**

"Peppino D'Agostino is one of today's greatest acoustic guitarists and one of my all time favourites." –**Peter Finger**

"...D'Agostino plays steel-string guitar with virtuosity and complexity...Influences are as far-flung as the flamenco work of Paco de Lucia and the pop sensibility of the Beatles, evident in the songs he's written, which brim with memorable melodies."--**Chicago Tribune**

"Peppino D'Agostino is a guitarist's guitarist known as much for his technical skills as for his writing, (he is) one of the most capable composers among fingerstyle guitarists." \_**Acoustic Guitar Magazine**

"one of the most capable composers among fingerstyle guitarists" –**Acoustic Guitar**

"a poet...among the best talents around" –**San Francisco Chronicle**

"potentially a giant of the acoustic guitar" –**San Diego Times**

"[a] phenom in the same league with John Fahey, Leo Kottke, Doc Watson and John Renbourn." –**Jazziz**

"...D'Agostino plays steel-string guitar with virtuosity and complexity...Influences are as far-flung as the flamenco work of Paco de Lucia and the pop sensibility of the Beatles, evident in the songs he's written, which brim with memorable melodies." –**Chicago Tribune**

"His sound is warm and buoyant, like the man himself, and his personality shines through." –**Escape Magazine**

"His passionate guitar work and resonant compositions will captivate any listeners...turn up the volume and enjoy." –**JazzTimes**
