DIRECTIONS

A pressed flower bookmark is a small but thoughtful gift that serves a great purpose. If you like to read, you know what we mean!

Directions:

1. Cut a piece of cardboard to the desired size and shape for your bookmark.
2. Cover the bookmark with wrapping paper or watercolor paints.
3. Glue a pressed flower on it.
4. Neatly cover with clear contact paper.
5. Punch a hole near the top of the bookmark and tie a 3-inch ribbon through it for easy handling.
6. Add your name and the name of the flower on the back of the marker in permanent marker.

Note:

See the "Make a Flower Press" activity for information on pressing flowers.
