Farm Pop-ups

Materials
Each student will need:

- Farm Pop-up Template

Directions

Students use this template to create a pop-up game to reinforce agricultural concepts concerning various plants and animals. Teachers can use the template to create their own pop-ups to reinforce concepts for any area of study.

Templates are available for apples, cows, dairy, pigs, sheep and turkeys on the Utah Ag in the Classroom website (https://utah.agclassroom.org/matrix/resource/132/ or search for Farm Pop-ups in the search box on their home page).

How to play:
1. Pick a friend to play. Ask his or her age. Open and close the pop-up that number of times.
2. Have the player pick another number. Then open and close the pop-up that number of times. Open the number chosen and give the quiz!

Cut here to make your paper square.

Start on plain side. Fold outside corners in to the middle.

Turn square over. Fold new outside corners in to the middle.

Fold top edge to bottom edge. Crease along middle. Open back up. Fold one side to other side. Crease along middle. Open back up.

Turn square over. Put your thumbs and pointer fingers into the four pockets on back. Write numbers on the outside of the question flaps. Color, then play the game!
