The Forest Service uses the most current and complete data available. GIS data and product accuracy may vary. They may be developed from sources of differing accuracy, incorporated in other systems, based on modeling or interpretation, incorporate data being created or revised, etc. Using GIS products for purposes other than those for which they were created, may yield inaccurate or misleading results. The Forest Service reserves the right to correct, update, modify, or withdraw GIS products without notification. For more information, contact: Office: Lincoln National Forest, 10000 Hwy. 1, Alamogordo, NM 88110; 505) 434-7200
