**Responsibilities by Alarm Owners and Alarm Services:**

Any person owning an alarm device or alarm system which is subject to the conditions of Chapter 6 Alarm Systems of the Village of Ruidoso Municipal Code, shall be responsible for the installation, operation, maintenance and monitoring of the device or system to ensure compliance with the chapter and with state law. That person may enter into a customer contract with a licensed alarm service for provision of any or all alarm services. The alarm owner, the owner's designee or the licensed alarm services shall have legal access to the property where the alarm is installed or located and shall come to the alarm site within 15 minutes of the alarm activation. Upon arrival at the property where the alarm is installed or located, the alarm owner, the owner's designee or the licensed alarm service shall determine whether or not it was a valid alarm and, if a valid alarm, notify the Village Police of Fire Department.

**False alarms and penalties:**

False alarm means any communication or activation of an alarm device or alarm system eliciting a response by the Village Police or Fire Department, whether by unintentional activation or equipment malfunction or any circumstance, where there is no evidence of emergency of the type for which the alarm device or alarm system was designed to give notice. This does not include activation caused by violent conditions of nature or other extraordinary circumstances not reasonably subject to control by the alarm system business or the alarm user.

Any Person who violates any provisions of Chapter 6 of the Village of Ruidoso Municipal Code shall be punished as provided in Section 1-6 of the Village of Ruidoso Municipal Code.

Should either the Fire Department or the Police Department respond to what proves to be a false alarm, the owner may be charged a penalty of \$75.00 upon a third (3<sup>rd</sup>) event within a 12-month period, and \$150.00 for the fourth or subsequent event within a 12-month period.
