Personnel Policy Review Committee is meeting twice a week and it’s going very well. We have had some great discussion coming out of the meeting.
Library
Story time will be at 10:30 am on December 1st and 8th. A special story time is planned for December 15th; more information with times will be forthcoming. Library Manager is in the process of getting quotes for the recarpeting of the Youth Services Department and flooring of the children’s classroom. Installation of Envisionware Print and Computer Management software is to be installed on December 20, 2021. The Library has a box for collecting toys for tots so come by for a book and drop off a toy! We are collaborating with a White Mountain Elementary to put up an angel tree in December. Starting December 3rd we will have a tree set up with angels on it. Come in and choose an angel, buy the item on the angel and bring the item back to the library. All the items bought will be given to children that are in need who attend White Mountain Elementary school. Deadline to turn in items is December 16th.

Street Department
- The Street Department has been working on drainage this week.
- San Bar has come in and striped Carrizo Canyon.
- Helping with the parade of lights this weekend.

Capital Projects
- As part of the Hazard Mitigation phase of the ongoing Ruidoso Sewerline Project, Village staff will be conducting site reviews of all project locations on Tuesday 12/7/2021 and Wednesday 12/8/2021. The team conducting these site reviews will include Village staff, project Engineer (Molzen Corbin) and Environmental Consultant (High Water Mark). The purpose of these site visits is to review the final construction drawings and make any necessary changes prior to project going into the procurement phase. The team will be visiting and reviewing all 39 locations along the Rio Bonito from the Upper Canyon down to the Regional Waste Water Treatment Plant (RWWTP). The crews conducting these site visits will be in vehicles that will be clearly marked as Village of Ruidoso, Molzen Corbin, and High Water Mark and individuals involved at these sites will wear safety vests during the site visits to assist property owners in identifying them. If you have any questions about these site visits, please contact Zeke Greer with the Village of Ruidoso 575-430-9990, or Phoebe Suina with High Water Mark 505-350-7731.
