FRIDAY FYIs
DECEMBER 10, 2021

Capital Projects
Sewer Line Project - Hazard Mitigation Phase
Site visits were conducted with Village staff and our engineering and environmental consultants on 12/7/21 and 12/8/21. A debriefing was held on 12/8. The site visits were very productive. Engineers are incorporating the recommended call out notes as well as the design changes they discovered for location 18. Village staff is now preparing the legal advertisement.

RFP #2022-00XP Professional Engineering for Water Diversion, Water Storage and Wastewater Treatment Projects
Street Striping Equipment – Working on Procurement Documents
Community Center

- The Ruidoso Community Center has been awarded a supplement of $29,000 which will allow the ceiling tile & lighting project to proceed.
- The exercise equipment wall project in the Community Center is coming along nicely.
- The wall is up, prepped, and ready to be textured. Part of the electrical work has been completed and is waiting final work to be done.

Library

A special story time is planned for December 15th with Santa Claus as a special guest reader at 1 pm. The Moose Caboose will be here to give train rides to kids between 1:30 pm and 3:30 pm after Santa’s Story Time. Library Manager is in the process of getting quotes for the recarpeting of the Youth Services Department and flooring of the children’s classroom. Installation of Envisionware Print and Computer Management software is to be installed on December 20, 2021. The Library has a box for collecting toys for tots so come by for a book and drop off a toy! We are collaborating with a White Mountain Elementary. We have an angel tree. You can pick up an angel at the Library, buy one or more of the items on the angel, wrap it and return it to the library by December 16. These items are going to White Mountain Elementary students who are in need.

Fire Department

- Fire Academy is going well should be complete Dec. 16th.
- Emergency Management worked with NMDHSEM to finalize the grant agreement from the 2019 snowstorm.
- Joe attended Fire Wise meeting at Alto Country Club on Tuesday December 7th.

Public Works

- Waste Water Collection crew finished up with sewer line and manhole maintenance on Mechem Dr. on Tuesday with the exception of the manholes at the bridge, Mechem and Sudderth dr.
- They will begin sewer line and manhole maintenance on Sudderth dr. on Monday December 13th weather permitting and will get to the manhole at the bridge at that time.
- Water distribution crew continues to install new water taps and continues to repair water leaks as they get them.
- Water meter crew continues to install meters and deal with customer issues.

Solid Waste

- Bears have slowed down, but they are still out.
- Pine needles are falling, causing a lot of grapple work.
- Still cleaning up forestry’s projects.
Street Department
The Street Department has been working on drainage, pot holes and fixing roads with milling at the end of upper canyon.
