Sport's Premium 2017 -2018

Academies and schools must use Sports Premium funding to make additional and sustainable improvements to the quality of PE and sport they offer.

Here at St. John's we promote a healthy lifestyle and place particular emphasis on how sporting activity impacts positively on the well-being of our students.

Statement of Intent

To maintain and stimulate pupil interest in PE
To promote health and fitness for current and future lifestyles
To allow pupils to broaden their PE experiences both during and outside curriculum time
To develop pupils' self-esteem through the development of physical confidence

Key Features

Participate in a wide range of sporting competitions

We aim to be represented in all local cluster events as well as all competitions organised by South Staffs School Sports Partnership. The competitions in all aspects of PE greatly increases participation in school games.

Offer a wide range of Sports Clubs

A weekly programme of after school and lunchtime clubs are delivered to children in Key Stage 2. These include traditional school games as well as Dance, Gymnastics and Dodge Ball. A "Fit Kids" club for Year 5 and 6 boys aims to tackle social inclusion issues and obesity. Over 200 places at these clubs are on offer each week.

Establish and maintain partnerships with external clubs and organisations.

Our Academy enjoys a strong relationship with Wolverhampton Wanderers FC. We participate in several of their school tournaments and receive regular coaching input from their Community Development Department. We also have access to special events such as those aimed at promoting healthy lifestyles or addressing racism in sport.

Provide existing staff with training or resources to help them teach PE and sport more effectively.

Staff receive regular in service training on PE. We also have a number of staff PE specialists who offer advice and support and also excellent PE teaching role models.
