

# 2018 Newport Charter Show Designer Water Contest

The 2018 Newport Charter Show Designer Water Contest is open for registration. This is a fun contest to raise awareness on a great way to reduce plastic water bottle waste while providing charter guests with delicious drinking water.

## Contest Rules

1. Prepare a flavored water using ingredients of your choice. See here for some [Sample Recipes](#)
2. Water used must be produced by the desalinator onboard your yacht.
3. Beverage must be served in reusable containers. No plastic.
4. Display a printed copy the recipe with the name of the recipe, ingredients, preparation steps, and the name of your boat.

To enter the contest, simply send an email to [environment@cyba.net](mailto:environment@cyba.net) with the name of your yacht and indicating that you are attending the Newport Charter Show and want to join the contest.

A group of Brokers will be selected to judge your water based on taste, creativity, and presentation. Judging will take place during regular yacht viewing hours on June 20th, 2018. Please remind the judges to take a picture of your printed recipe for reference.

Elegant "Save the Blue" trophies will be given to 1st and 2nd place, plus a \$400, \$300 and \$200 spa gift certificates will be awarded for 1st, 2nd and 3rd place. Awards will be announced at the Closing Cocktail Party on June 21, 2018.
