Guidelines

- **The entry form must be mailed with the registration form.**
- It is to be a group competition, not an individual competition. Only one (1) entry per club/group. Bluebelle groups will only compete against Bluebelles. Same with Joy Belles.
- You do not have to be an organized club to participate in the competition.
- Girls will perform a community service. Photograph the girls working. Make a collage out of the photos. Girls' Committee will judge service and photo display. Examples of community service projects: serving in Boys and Girls Club, activities in a nursing home, helping with church community spring festival/back to school fair, planting flowers for an elderly church member, etc. Limited counselor assistance is permitted in creating the collage. Girls are to do the majority of the designing/organization of the collage.
- Entry will be judged on Creativity, Craftsmanship (detail, neatness), Art Work (variation of materials/media and technique), Overall Design and Appeal, and usefulness/impact of the service for the community.
- Entries are to be checked in during registration time. On an index card taped to the back of the collage, put mentor's name, church, brief description of service project, and group. All collages will be displayed.

You may count this as a service project for next year on your monthly report!
