

## The Stoesser Center Renovation FAQ

What is the Stoesser Wellness Center?

- The SSC is formerly referred to as the Employee Development Center or EDC

As a member what do I do now?

- During the renovation you will be able to utilize the Greater Midland Community Center and North End Fitness Center at no additional cost.

Will I need a new membership card?

- No, the same Dow Wellness Center membership card will work at the Community Center and North End Fitness Center until the renovation is complete.

What type of membership will I have at the Greater Midland Community Center/North End?

- All current core members at the Dow Midland Wellness Centers will be recognized as core members at the Community Center and North End.

Will I have access to Group Exercise Classes at the Community Center and North End?

- Yes, your Dow core membership will allow you into the group exercise classes at both centers.

What is included in my core membership?

- As a [core member](#) you will gain access to the wellness center at the community center and the entire North End wellness center.
- Additional Perks:
  - Indoor track at Community Center
  - Sauna/Steam Room in the Community Center locker rooms
  - Sauna at the North End Fitness Center

Will there be bath towels available?

Yes, the Community Center and North End will have bath towels available at both welcome desks.

Can I use the basketball courts, swimming pools, climbing walls at the Community Center?

- If you have a Diamond/Premier Membership then all these amenities are included in your membership. If you are a core member and interested in upgrading to a diamond membership to use these amenities then please click [here](#).

What if I currently personal train somewhere besides East End Wellness Center?

- Dow Wellness Center personal trainers will be working with clients at the Community Center and North End. You will be able to purchase Personal Training at the Dow [pricing](#) through the Dow Midland Wellness Centers.
